CAREER OBJECTIVES

Motivated B.Tech Computer Science student with a strong interest in Big Data Analytics and data-driven research. Seeking a Summer Research Internship Program (SRIP) opportunity to work on large-scale datasets, scalable analytics systems, and real-world data problems under academic mentorship.

EDUCATION

Mallareddy Engineering College,
Information Technology,
Pursing 3rd Year - 2nd Semester | CGPA 8.55

SKILLS

Python (Pandas, NumPy, Matplotlib)

SQL (MySQL / PostgreSQL)

Basic Java

Data Cleaning & Preprocessing

LEADERSHIP & ACTIVITIES

NSS Volunteer- Actively participated in National Service Scheme activities, contributing to, community outreach programs, social awareness initiatives, and teamwork-driven projects demonstrating leadership, responsibility, and societal engagement.

Event Organizer- Coordinated planning and execution of technical and academic events, managed participant registrations, and supported smooth event operations through effective communication and collaboration.

CERTIFICATES

Python for Data Analysis – *Kaggle Learn*
Database Management Systems (DBMS) – *NPTEL*

EXPERIENCE

Performed data cleaning, preprocessing, and exploratory data analysis on large datasets using Python.
Wrote SQL queries for data retrieval and analytical reporting.
Participated in technical workshops focused on data analytics, databases, and computing fundamentals

ADDITIONAL

Showcasing leadership and teamwork.
Attended workshops on emerging technologies to enhance technical skills.
Actively participated in community events.
